

0209 SKYLOR PLUS

The most robust helmet in our range. The entire shell is manufactured from high-thickness ABS.

Special slots allow for the seamless integration of ear protection and face visor. Equipped with four clips for attaching a headlamp. The padding is detachable so it can be washed or replaced. Turn dial adjustment provides a secure and precise fit in seconds.

Equipped with emergency release chin strap.

Available in 5 colors.

One size fits all.

Standards:

- EN 397 + lateral deformation (LD), electrical insulation (440 V a.c.), very low temperature (-20°C), molten metal splash (MM).

2017 UPDATE: new chin strap buckle with emergency release at a load between 15 and 25 kg.

Inside padding is detachable.
Can be washed or replaced
